From SAGE Publications, Inc : The Handbook of Organizational Culture and Climate before purchasing it in order to gage whether or not it would be worth my time, and all praised The Handbook of Organizational Culture and Climate:

In The Handbook of Organizational Culture and Climate: Second Edition, a team of leading international scholars presents the state-of-the-art in the field, ten years after the publication of the award-winning First Edition. Following the Preface by Edgar Schein, 33 entirely new chapters document the development and maturing of ideas canvassed in the First Edition, and also offer exciting new perspectives on organizational culture and climate.
