Praise for The HR Toolkit "Dozens of sample memos, policies, training aids, exercises, checklists and more that readers can use immediately for a wide range of HR tasks. Author Denise A. Romano, an HR professional for more than 14 years, does more than offer sample documents and review laws relevant to HR. She urges HR professionals to be "credible activists" who are willing and well-trained enough to point out when their companies are violating laws or just handling things improperly through inadvertent errors. She also addresses HR professionals' worries including advising them on coping with workplaces that devalue HR. " —SHRM/HR Magazine
