G. Gull : The Intent of Business: Organizing for a More Sustainable Future before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Intent of Business: Organizing for a More Sustainable Future:

Insights from varied disciplines such as: physics, mythology, psychology, philosophy, statistics, and systems theory to

re-think the very intent of business and its corresponding organizing and management principles.

About the Author Professor Gregory Gull is the Lead Faculty in the Leadership Specialization Ph.D program in the Department of School of Business at Capella University, Minneapolis USA.
