E. Carayannis, A. Pirzadeh : The Knowledge of Culture and the Culture of Knowledge: Implications for Theory, Policy and Practice before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Knowledge of Culture and the Culture of Knowledge: Implications for Theory, Policy and Practice:

The Knowledge of Culture and the Culture of Knowledge explores the construct of information and information culture and its relationship to the prevailing culture. The author provides an analysis of the relationship of media to the core constructs in the book by explaining why they have been put together to form one single idea.
